The New D Coil
Up to 50% Longer Battery Life*

By Upgrading to the New D Coil Users Benefit from:
- Significantly improved battery life
- Newest and thinnest coil design with multiple colour options
- Easy-to-exchange magnets
- Less waste and lower cost!

A Full Day of Use with DaCapo
- Users of the DaCapo rechargeable battery system will experience up to 16 hours of battery lifetime by upgrading to the new D Coil as compared to 10–12 hours with the previous coil.

Have a BTE? Upgrade Now
- Every MED-EL user wearing a behind-the-ear processor can benefit from upgrading to the new D Coil.
- Users of OPUS 2, DUET 2, OPUS 1, DUET and TEMPO+ are able to upgrade from COMT+ P Coil to D Coil and benefit from increased battery lifetime and cost reduction.

*with zinc-air batteries
Enjoy an entire week of uninterrupted hearing with a single set of zinc-air batteries
